## SCENARIO 1

Tahir was at lunch with his friends, but when he ran to the bathroom, he left his phone on the table. While he was gone, his friend Hiba grabbed Tahir's phone and started looking through his texts. The first text she saw was an angry one from Tahir's mom because he failed mathematics.

 How would that make Tahir feel? \_\_\_\_\_

## SCENARIO 3

Lama is a 15-year-old student with two brothers, a mom, and a lot of friends and schoolmates. Lama and Rayan are schoolmates and are working together on a project in science class. Yesterday, they had a science test and when everyone received their results, Rayan noticed that Lama didn't look happy with the result. The next week, Lama is absent from school for several days, so Rayan has to work on the science project by himself. When she returns, she tells Rayan that she has to see the doctor, but she doesn't say anything else.

 Does anyone need to know about Lama's test results? Her medical history? Why? \_\_\_\_\_
